SIR,

With reference to para 3 of Order No 3034-5/EdF26-96 dated 1st September 1902 I have the honour to give the additional information required by Government about the six schools named in the Statement B

(1) The London Mission Girls' Home Bangalore is otherwise called the London Mission Girls' Boarding School Up to last year the school was a Middle School for Native Christian Girls from which five girls passed the Lower Secondary Examination last year in English Form IV of the High School department was opened in January last for them It was proposed to raise the school permanently to the grade of a High School for girls and open its doors to day scholars of all classes The arrangements for admitting day scholars have I believe not yet been completed In March 1902 Miss Muller the Lady Superintendent applied for a grant of Rs 25 for the purpose of giving scholarships of Rs 5 each to five girls in Form IV and her application was recommended to

to Government On the 18th Instant however she renews her applicat. for the same amount of grant and asks that it may be sanctioned not for scholarships but as an addition to the monthly grant of the school since the formation of the IV Form has increased the cost of the establishment The school has an attendance of 63 girls of whom 54 are Native Christians 8 are Brahmins and 1 a High Caste Hindu Of the 63 girls 3 only are at present in the IV Form, 36 in the Middle English classes and 24 are in the Vernacular classes The school is at present in receipt of a monthly grant of Rs 50

(2) The Aryabalika Pathasala maintained by Sringi Nanjappa is not at Tumkur as printed in the statement but at Tiptur The school was opened more than two years ago by some Lingayet merchants who objected to the Christian instruction given in the Wesleyan Mission Girls' School in the same town which is an aided school After maintaining it for some months it the manager repeatedly applied to me to make a Government Girls' School on the ground that there was no Government Girls' School in Tiptur I could not grant the application as there was already an aided school in the town. The Manager has since been applying for a grant-in-aid which he is entitled to For more than two years Sringi Nanjappa has maintained the school at a cost of Rs 17 a month There are 43 girls in the school taught by only one teacher Another teacher is urgently required The manager proposes to entertain a staff costing Rs 32 a month if Government would sanction a grant of Rs 15 Under these circumstances a grant of Rs 9 was proposed by me. The school deserves the grant

(3) to (5) The Wesleyan Mission Boys' Schools in Rakshanapura in Hassan Hosakoppalu in Hassan and Kalasapura in Hole-Narasipur are new schools

schools established by the Mission. They are free schools maintained at the sole cost of the Mission. In such cases it is usual to grant half the establishment charges. For these reasons Rs. 5 was recommended for each school If Rs 5 is a little above half the cost in two cases it is a little less than half the cost in the third case and usually after a grant is sanctioned the master's pay is increased by the Mission

(6) In Chikmagalur the Wesleyan Mission maintains two Girls' Schools one near the High School and the other in Basavanhalli which contains about a hundred Brahmin houses. A grant of Rs 25 is given to the main school which has a roll of 84 girls near the Government High School and costs Rs 53 a month but no grant is given for the Basavanhalli School which is attended by 65 girls of whom 40 are Brahmins and costs Rs 23 a month The Basavanhalli school is in a satisfactory state Under these circumstances a moderate grant of Rs 12 was recommended for it

2 Under these circumstances I request that Government may be pleased to sanction and authorise the inclusion of the grants recommended for the six schools named above in the budget for 1903-4

I have the honour to be

Sir

Your most obedient servant

H J Bhabha

Inspector General.
